Miss Marguerite Trego

Dedication

We, the Senior Class of 1966, respectfully dedicate this publication of "The Greyhound" to the memory of Marguerite Trego, whose death occurred on November 1, 1965, and whom we learned to love because of her willingness to guide and assist the class in its activities and her interest and concern in the personal problems of individual members.

The Master Key

Principal

Mr. Rathbone serves as the head teacher and the chief symbol of authority at Grove City High. His policies and ideals shape our education. As a fine and dedicated man, we admire him; as the master key to our high school, we respect him.

Students Are

the Real Key at Grove City

A high school consists of many things. Yet it is the student body which shapes the youthful spirit and reputation of a school.

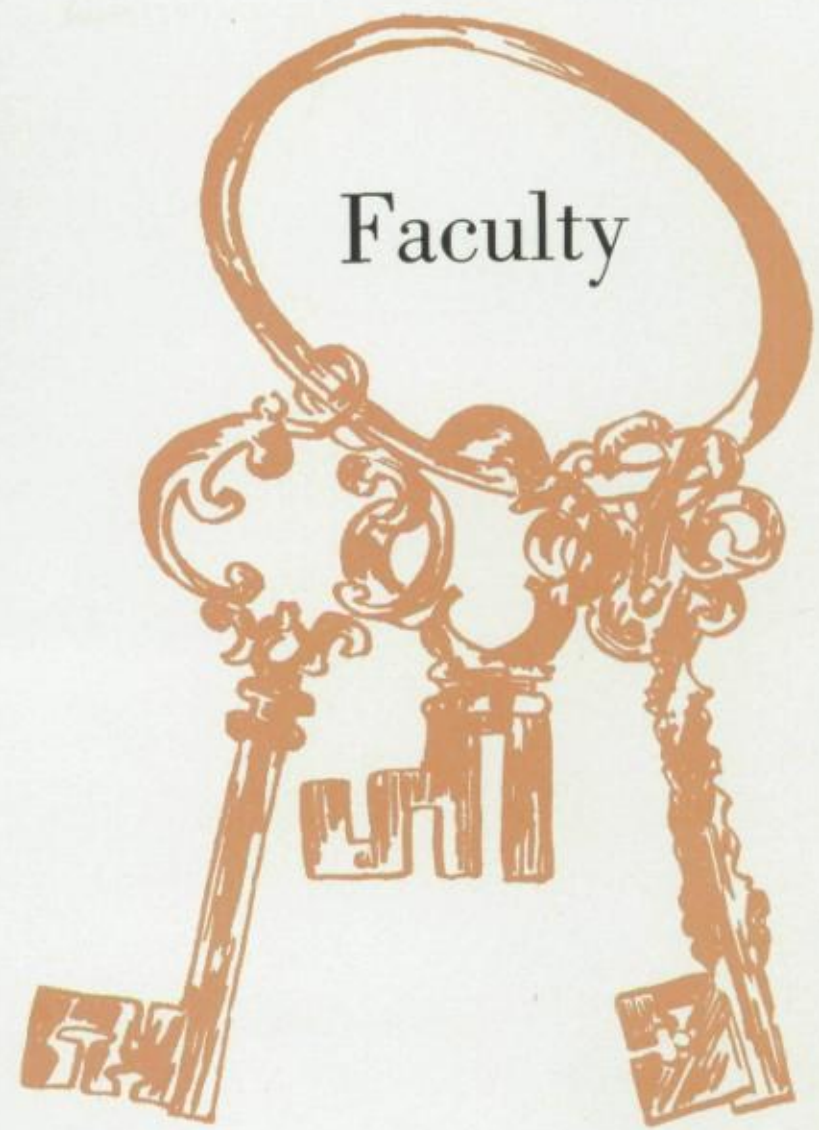

Passing notes in the hall, lively activities and classes, team yells and serious conversation comprise the student's key spirit. Their good "life is wonderful" days—an A in English; their bad "nothin' goes well" days—an unexcused tardy slip, control the mood which surrounds our school.

Grove City's talented students bring varied awards to honor her. Scholars, performers, athletes, young leaders—and the entire body of students are keys to Grove City's prestige and reputation.

These students, the key to school spirit and prestige, are the products of faculty efforts and a growing Grove City.

Education - Holds Keys for the Future

Strong, versatile keys are needed to open any significant door of life. To a high school student his future career is the most important of these doors. No matter what profession he might choose, a solid, well-rounded education is essential. Preparing for that doorway is a time of reciting, planning, questioning and researching. The silent world of study is a key part in preparation for entrance into the adult world.

Sophomores

Sophomore Year—The panic is gone. You can find all your classes now, although those tardy slips are still threatening. You begin to get the idea of high school life and everything seems easier now. You look forward to receiving your classrings and being able to look down on next year's "underclassmen". You're halfway there, only two more years to go and yet it seems forever.

Always busy but never tiring—this best describes our principal, Mr. J. David Rathbone. With his firm hand guiding the students on all matters, he has developed an efficient and smooth running school. His responsibilities are large, including the everyday matters at hand as well as keeping in contact with everyone at Grove City High School, which he does with great ability.

Another person who aids Mr. Rathbone with the management of our school is our Vice-Principal, Mr. Laughlin. His main responsibility is our attendance office. Other than his official duties, the students keep him busy writing tardy slips.

We are lucky to have such fine ladies working in our office. They have a great deal of work to do in their roles of secretary, clerk typist and treasurer, yet their job is not completed with this alone. The students keep them busy with numerous unanswered questions.

Most of these questions are answered by our counselors, Mrs. Stalker and Mr. Green. They are key figures in each of the students' school lives. Their futures may be improved by comments and arrangements made by our counselors.

Walking through the commercial hallway in Grove City one hears the clicking of typewriters all day long. Our secretaries and businessmen of tomorrow have fine instructors for their various courses. Mrs. Cornwell, Mrs. Butts, Mrs. Fannin, Miss Fife, Mrs. Mozeleski and Mrs. Smith train their students in courses of typing, bookkeeping, shorthand and business math to prepare them for their future career.

Various Students participate in Co-Operative Education which prepares them for the business world or Distributive Education which specializes in selling and retailing. Occupational Training is opened to all high school students and prepares them for their future occupations. In all three of these courses the students attend school for one half day and spend the remainder of the day working.

OUR FINE CAFETERIA STAFF

Row 1 (L to R) Jim Storey, Danny Pifer, Dick Holtzman, Joe Williams, Mike Freeman, George Morris, John Palmerton, Dave Fulton, John Sexton, Greg Sturm, Chris Jensen, Alan McGath, Larry McComb, Dennis Fetherolf,, Row 2 (L to R) Mr. Hoddy, Coach, Mr. Brockmeyer, Coach, Harry McKindry, Skip Adams, George Smith, Danny Frick, Randy Adams, Dick Odgen, Tom Summors, Bob Jenkins, Loyd Curtis, Gale Cooley, Mike Skeaton, Jim Gritter, Mac Clark, Mr. Huffman, Coach, Mr. Bolin, Coach, Row 3 (L to R) Mr. Jacob, Coach, Mike Evans, Jim Adams, Neil Moore, Gary Dagg, John Worthington, Jim Besset, Roger White, Ed Evans, Lorenzo Jackson, Ron Wheeler, Tom Hunt, Dale Carmichael, Jeff Hix, Rick Crawford.....

Under the guidance of first year coach Charles Brockmeyer, the Greyhounds played a hard, determined brand of football, and an extremely tough Mid-8 league provided them a lot of rough competition on Friday nights. Their 0-9-1 record is hardly any indication how these boys played. They went into each game with determination, and played each game with an effort deserving only of a championship team.

This determined effort could be plainly seen when John Sexton carried the ball, or when hard tackles would be made by little scrappy, George Morris. Both these boys efforts were rewarded by All-Mid 8 berths. Alan McGath, Lloyd Curtis, Mike O'Day, Chris Jensen, Greg Sturm, Bob Jenkins, Gary Dagg, Ed Evans, and the rest of the team can all be proud, along with Grove City students, of the kind of football played at Grove City this season.

All Mid-8 Selection: Mike O'Day, John Sexton, Alan McGath, Lloyd Curtis, George Morris

Charles Brockmeyer, graduate of Miami University, came to Grove City from Carrolle High School. Besides coaching football, Mr. Brockmeyer teaches American History and P.O.D. The other coaches are Frank Bolin, who is also Reserve Baseball coach and teaches Biology and Physics, Glen Hoddy, who also coaches baseball and teaches Health, Earth Science, and American History; and Lee Huffman, who also coaches swimming and teaches General Science.

Allen McGath, Guard, 155 lbs.

ALLEN MCGATH, playing at guard, received honorable mention on the All-Mid 8 squad. Allen was the typical team player, always ready with a word of encouragement for another player or for the team as a whole. And when he was playing he would show just as much enthusiasm in getting his job done. Allen would undoubtedly be the type of player any coach would enjoy coaching.

Larry McComb, Tackle, 170 lbs.

LARRY MCCOMB was another never-say die gridder. Playing at tackle Larry saw limited action but contributed a lot to the team. A hard worker in practice, Larry was always ready and willing to play, and when he did play he always gave a good account for himself.

This year's cheerleaders were very original. They were always prepared with a new and different type of pep rally. During the game they provided the team with needed enthusiasm while leading the spectators in cheers. They are from left to right—Susie Smith, Carol Venters, Jane Draudt, Brenda Matthews, Julie Vasami, Linda Southall. Sitting Pam Carter (mascot)

Dick Holtzman, Guard, 155 lbs.

MIKE FREEMAN, a transfer student from Mifflin, proved to be a helpful addition to the team. Working at center Mike, who was very popular among the players, played some good football until an injury sidelined him toward the latter part of the year.

DICK HOLTZMAN, an inspiring, morale booster, provided that needed spirit when the going got rough. Dick was a hard hitting tackle who played on the kick-off team. He was always ready to do the job when called upon by the coach, and this hustle exemplified the attitude held by the entire team.

Mike Freeman, Center, 160 lbs.

Greg Sturm, Tackle, 170 lbs.

GREG STURM, a third year varsity player, worked at tackle during the season. Hard hitting, and aggressive would be the only words to describe Greg. Throughout the season, Greg played an all out serious type of football, which is deserving of praise.

CORKEY CLARK, played his third year of Varsity ball at guard. A real competitor Corkey was considered one of the best tacklers on the squad. This tackling ability proved to be a valuable assistance during the Friday night games.

Chris Jensen, Guard, 150 lbs.

TOM HUNT, played his first year of varsity ball at guard. Since it was only his first year of varsity ball, Tom had a rough row to hoe, however he came through in good shape and proved to be quite a scrapper.

Corkey Clark, Guard, 145 lbs.

CHRIS JENSEN, another extremely aggressive gridder played at tackle. Chris played an aggressive, tigered up style of football like a 250 pounder instead of like the 150 pounder he was. Always giving it that extra effort when carrying out his assignment, Chris had the potential, with a little more weight, of being one of the better linemen to come from Grove City.

Tom Hunt Tackle, 150 lbs.

Jim Gritter, Tackle, 150 lbs.

Joe Williams, Linebacker, 160 lbs.

How's that grab you?

John Sexton, Fullback, 195 lbs.

Dave Fulton, Quarterback 155 lbs.

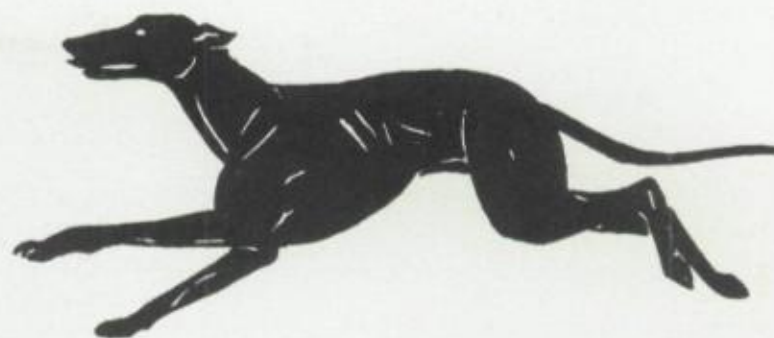

George Morris, Halfback 135 lbs.

Seniors See Final Run

JIM GRITTER was a great morale boost to the team. A tough competitor during his last season, Jim was the type of player whose presence would have been difficult to get along without.

JOE WILLIAMS played his fourth year of football at a linebacker position. A hard-hitting aggressive player, Joe did a good job at linebacker this year and was another one of the morale boosters, both on and off the field.

JOHN SEXTON played four years of varsity ball and during those four years he played many positions both offensive and defensive. John is an outstanding all-round determined football player who has what it takes to be great. This fact was proven when he made the All-Mid-8 squad. Without a doubt John can be considered one of the best products of Grove City football.

DAVE FULTON, a tremendous all round athlete, played quarterback. A smooth, aggressive player, Dave proved to be a qualified leader until he was sidelined with a shoulder separation. Dave proved to be a double threat being able to throw or run with equal ability.

GEORGE MORRIS, a four year veteran also joined John Sexton on the All Mid-8 team. George is a fast hard-hitting, scat back who provided many thrilling runs including Grove City's last touchdown of the season. George also played defensive halfback and his superb play there would warrant a berth on almost any All-State squad.

For the second, straight year Grove City sported a championship cross-country team. The harriers 10-1 record was highlighted by the mid-8 and district championship. Other highlights were a fourth in the Worthington invitational and a sixteenth, out of 36 teams, in the state.

The year started out with a 20-35 trounce over Westerville and continued with equal success. The best victory out of the dual and triangular meets was the victory over perennial great Worthington. The Greyhounds ran up 27 points, to Worthington's 30 and Walnut Ridge's 78, by taking the first two, the fourth, 8th and 12th places.

The team was lead by Jim and Jerry Docherty Dan Badgley, Bill Henceroth, Larry Kerschner, Jack Lawrence, and Tom Clark. Determination and many miles paid off not only with team victories but also with individual honors. Bill set the Becon Light course record with a 10:44 in leading the team to a victory over pleasant View and Franklin Heights In the mid-8 meet Jerry saw his record go to Jim as he ran a 10:26. Both Jerry and Jim broke the school record in the state meet. Jerry ran a 10:08, for twentieth place, out of 250 runners, and Jim set the record with a fast 9:46 and a seventh place. The only other first was by Dan when he lead the Greyhounds to a 21-34 victory over Hillard. But it was the other three boys, Larry, Jack, and Tom, who brought home the victories. These boys were the real backbone behind this successful year.

Although cross-country might seem like an individual sport, it was a team effort that provided the success for the harriers. Grove City has made a name for itself in one more sport.

Although cross-country has been a sport at Grove City for only three years, Coach Russell has had nothing but success. In these short three years he has brought to Grove City such honors as runner-up and district championships, two mid-8 titles, and an amazing won loss record of 19-2. Grove City may be very proud of such a dedicated coach who is responsible for many honors bestowed on Grove City High School.

Coach Herb Russell

Head Coach, Herb Russell, during his sixth year as coach of the Greyhounds guided the boys to a fine 19-5 season.

Under his direction the Greyhounds were able to recoup from mid-season loses to Westerville and Hilliard to later return to beat both teams. The Hounds this year shared the Mid-8 title with co-champions Hilliard, adding another achievement to Mr. Russell's list as basketball coach at Grove City. A big congratulation to Mr. Russell and all the basketball players on a fine season.

Half time instructions

G.C. 50—Bexley 62

The Hounds opened their 1965-1966 basketball campaign against the Bexley Lions. Lawrence led the Greyhound sally with 13 pts. Bexley finished the game with a 10 pt. lead, but the dauntless Greyhounds would have better nights than this opener.

G.C. 50—Upper Arlington 53

With a half time score of 24 up, the Hounds surged into a 43-37 lead at the end of 3rd quarter. The Hounds lost their momentum and with only seconds to play the Upper Arlington Bears took the lead and stalled play. The Bears narrowly escaped the Crimson & Blue attack by winning 53-50. The Hounds now waited in expectation to meet Gahanna's Lions in the first league game.

Peace before the battle

G.C. 53—Gahanna 31

In this game it was all Grove City, as they stymied Gahanna by winning 52-31. The slow first quarter saw the Hounds leading by a slim 2 pt. margin 8-6. In the second quarter Lawrence, the Lion tamer, brought the Hounds well ahead by hitting for 6 straight pts. The Hounds full court press successfully undermined the Lion's offense and Russell's Rippers ended the first half with a commanding lead 28-13. The play slowed down the latter half and eating away the clock the game soon ended. A bewildered Gahanna team silently slurped off the floor.

G.C. 59—Groveport 37

The Greyhounds opened the game with a quick basket by Lloyd Curtis. Grove City went into a full court press. Nine points were scored by the Hounds before the Cruisers were able to get a point. At the end of the first quarter, the Greyhounds were well up on the Cruisers, 18-6. Groveport tried to close the gap, but narrowed it only by 7 points at the end of the second quarter. Defense was the word in the third quarter, as the Greathounds held the Cruisers to only three points. On the offense the Greyhounds scored 17 points, and entered the fourth quarter with a 21 point lead, 42-21. Eight minutes was not enough time for the Cruisers, and the Hounds brushed their second Mid-Eight foe. Jack Lawrence settled for 24 points.

G.C. 46—Mifflin 39

Eddie Simmons gave the Greathounds the lead early in the game with a corner jumpshot. Leading a full court press, Mike Skeaton stole away the ball and scored. The first quarter ended with the Hounds 14 to Mifflin's 8. By the end of the second quarter, the Cowpunchers came within three points of the Hounds, 23-20. Mifflin mid way in the third quarter passed the Greyhounds by a 1 point margin but junior George Yates, towering at 6'7" tipped in the ball to put the Greyhounds ahead to stay. With the third quarter ending at 31-27, Grove City's favor, the Hounds in the fourth quarter put the Cowpunchers to pasture. Final score Greathounds 46 Mifflin 39.

London 45 G.C. 51

Jubilant Greyhound team carried off the floor Coach Herb Russell as this year's G.C. Hounds moved closer to the Mid-Eight crown by licking London. Grove City matched all the points London could muster in the first quarter. With the score 17-16, which favored Grove City, the Hounds went into their full court press and closed the second quarter with a 9 point lead, 25-16. Grove City wasted London's precious time by stalling and held out to bump the Raiders off, 51-45.

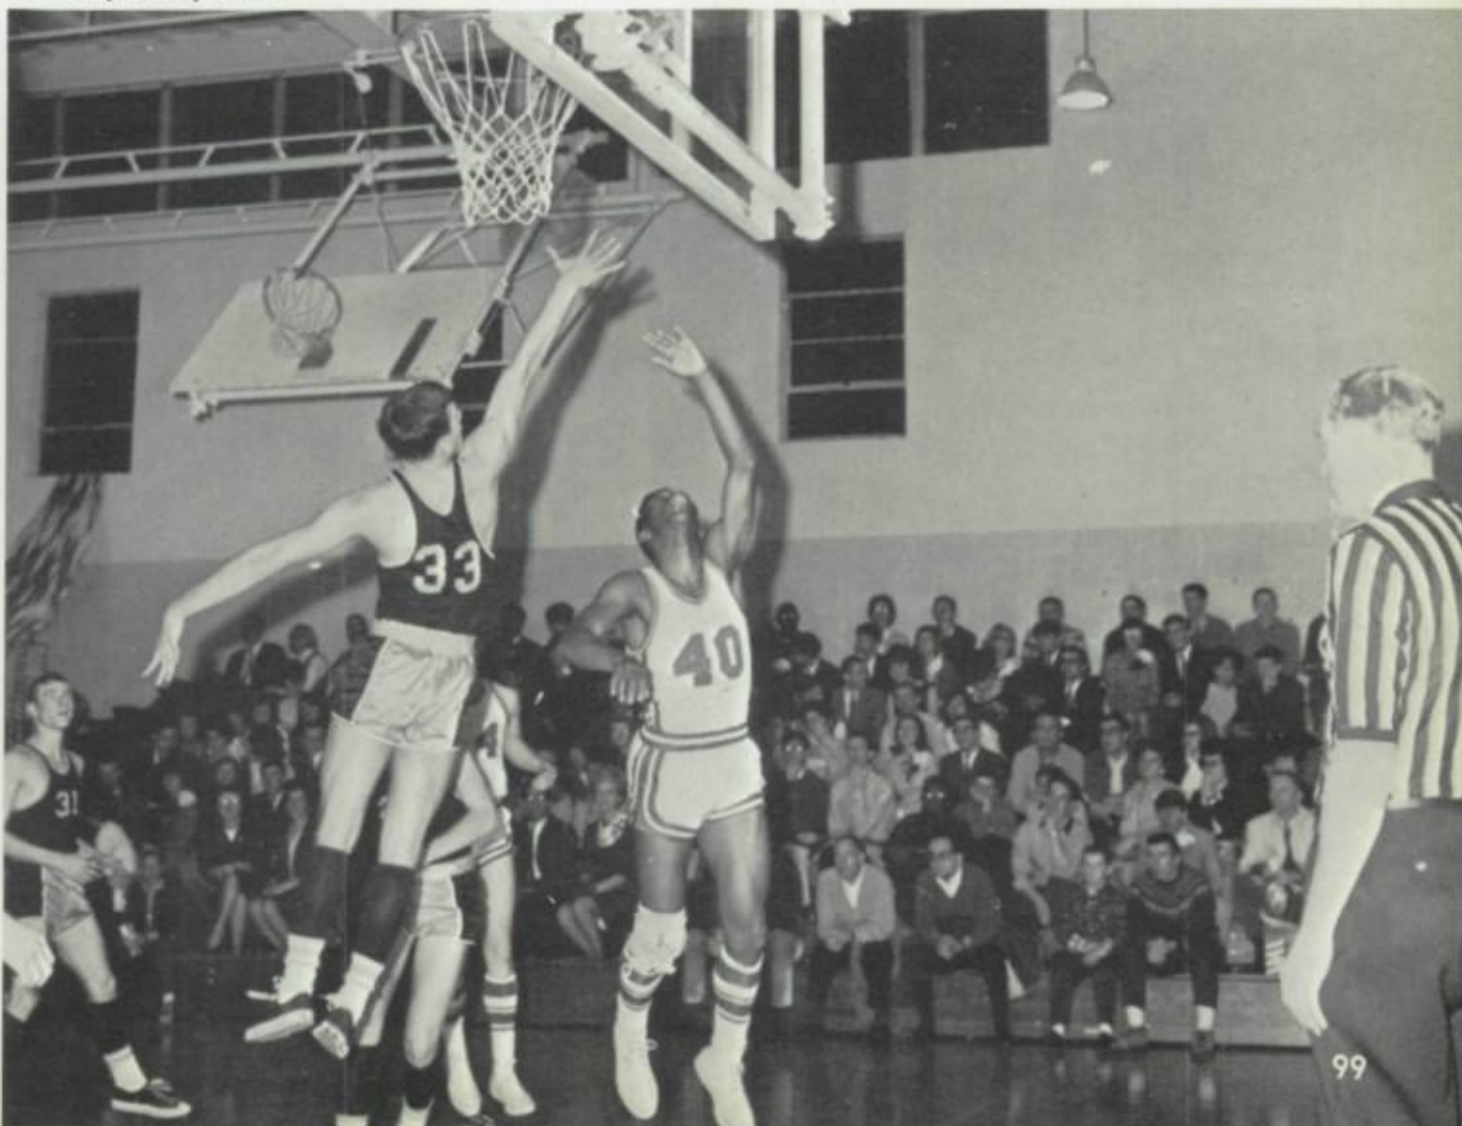

G.C. 49—Pleasant View 45

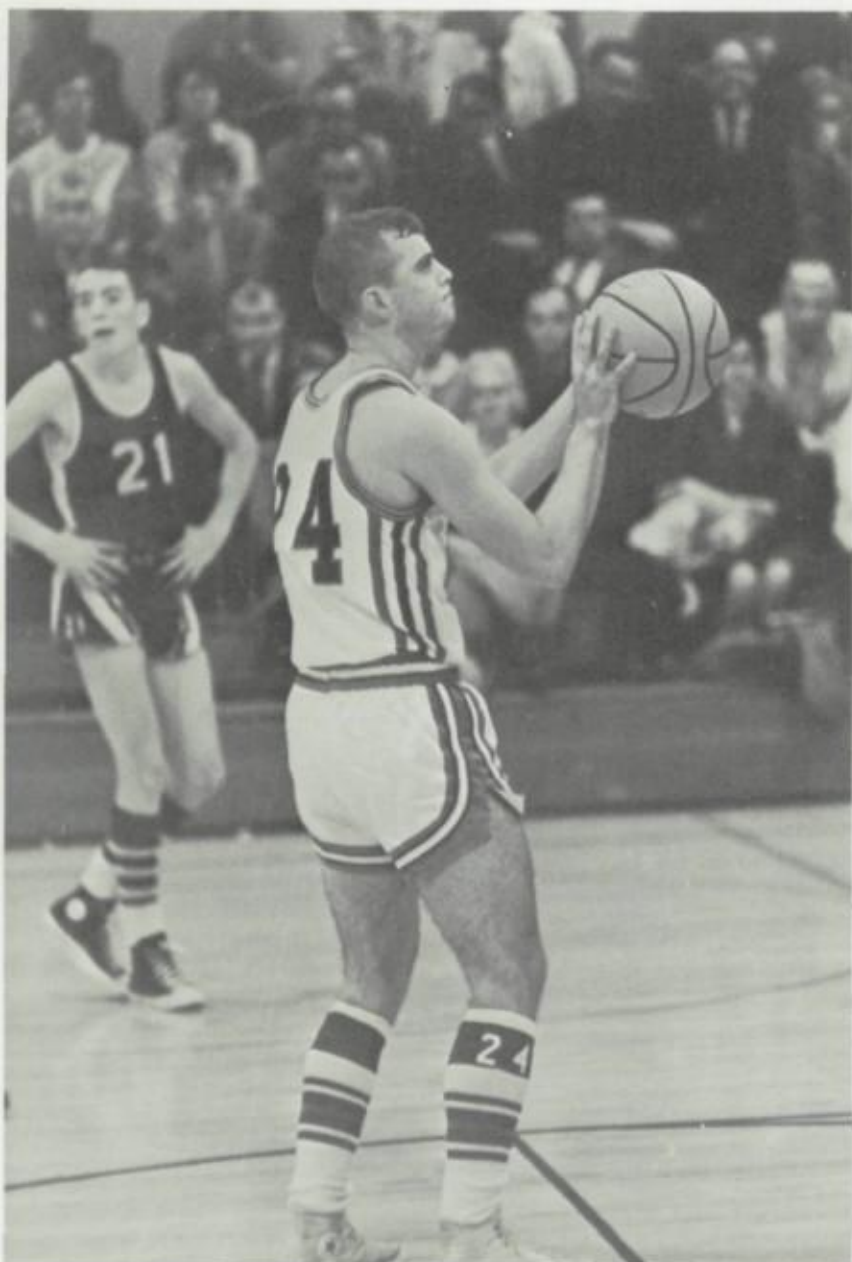

The Greyhounds earned on the Panther court their fifth straight win. Down three points at the close of the half the Hounds rallied in the closing moments to triumph 49-45. Yates was high pointman for G.C. with 17 points while Eddie Simmons also finished in the double figures by scoring 12 points.

Hillard 59—G.C. 58

In the first quarter a full-court press proved difficult for the Hounds and the Wildcats managed a four point lead, 12-8, which ended the first quarter of play. Ed Simmons and Jack Lawrence led the attack in the second quarter, and the Hounds held a slim one Point lead as the second quarter came to an end. The struggle see-sawed back and forth the last two quarters and Hillard came out on top 59 to 58. Heading Grove City in both scoring and rebounding was Jack Lawrence, with 22 points and 14 rebounds.

G.C. 54 Westerville 43

After having tasted defeat at the hands of Westerville earlier in the season the Hounds were now set for sweet victory. The Greyhounds were up by two at the end of the first quarter, 11-9. Westerville in the second quarter jumped to a 20-15 lead, but this was short lived. Grove City pulled to within one. Then Ed Simmons turned a pass from Lloyd Curtis into points, the go-ahead points. But the last bucket of the second quarter was made by the Wildcats giving them a half time lead of 24-23. Grove City caught fire in the last two minutes of the third quarter and surged into a lead 36-31. The excellent shooting of Grove City made shambles of a Wildcat full court press and The Hounds ended victoriously 54-43.

G.C. 74 Franklin Heights 47

Homecoming night the Greyhounds played as everyone expected. Finishing the first quarter with a 7 point advantage, 19-12; the Hounds in the first four minutes of play in the second quarter out-scored the Falcons 14-2. The first half ended the Greyhounds had taken a commanding lead, 39-21. The second half was a replay of the first half, and the Hounds, led by Jack Lawrence's 24 points and 22 rebounds, coasted home for their tenth win in 14 outings.

G.C. 62 Hilliard 50

The game was played before the largest crowd of the season as the Hounds downed the Wildcats and climbed into a first place tie. In the opening quarter the Hounds jumped into a four point lead, 4-0. As the first quarter ended the margin was in Grove City's favor, 16-14. Hilliard got hot the second period and at one time had Grove City down by five points, 24-19. The never-say-die Hounds then outscored the Wildcats 10-0, which gave them a half time lead, 32-47. Grove City and Hilliards matched each other basket for basket in the third period. The fourth quarter found the complete breakdown of the Hilliard quintet. As the final buzzer sounded, the Hounds had topped Hilliards 62-50.

G.C. 57 Marysville 51

At the end of the first half the Hounds went to the dressing room holding a one point lead, 29-28. The Greyhounds got going in a fast third quarter which saw a fast breaking Grove City surge into an 11 point lead, 45-34. In the final quarter the Monarchs came battling back but Marysville's pressing turned to fouling which sent the Greyhounds to the charity stripe where the Hounds were able to tack precious points on the score which ended as a Greyhound victory 57-51. Eddie Simmons led all scoring with 22 points. Fast moving Jack Lawrence pulled down 15 rebounds.

The Greyhounds came storming from behind in the closing minutes of play to defeat, the Mid-8 co-champion Hilliard. Thirteen points in the last three minutes proved to be too much for arch-rival Hilliard. All Mid-8 selection Eddie Simmons led all scorers with 23 points while Lou Williard's clutch foul shooting in the final seconds was a vital victory factor.

G.C. 65 DeSales 46

The Greyhounds were downed by DeSales and ousted from the class AA district title chase. With this game the Hounds finished a fine season with a 15-5 won-loss record and a share of the Mid-8 championship with Hilliard.

Coach Charles Brockmyer

The Grove City grapplers, under new coaching leadership of Chuck Brockmyer, finished strong in season competition winning three out of the last four meets. The hounds opened the season with a decisive defeat at the hands of perennial power Franklin Heights—35-8. Expert conditioning changed this apparent disastrous season into one of high hopes. In their mid-season Pleasant View Invitational Dick Cooley emerged victorious in his 145 weight class, which was typical of a continuously improving team. The wrestlers season ended on a high note as the G.C. workers squeezed pass City League

power, South 21-20. Devotion and hard work paid off for three Grove City Wrestlers as Charles Baumbush, 112 Weight class, was voted most improved wrestler, 145 weight class grappler Dick Cooley was named most valuable, and John Worthington, G.C.'s heavy weight wrestler had the season's most pins.

This year's team led by a crew of five veterans smashed all but four school records. Co-captains Bill Hastings and Rick Williamson combined to set four of the eight new records. The team found additional depth in first year men, John Hastings, Rick Huffman, and Tom Summers. Although the season record was disappointing the Greyhounds managed to place co-captain Hastings into the state meet in his specialty—50 yard free. The banquet at the closing of this record breaking season saw James Akin, John Hastings, Rick Huffman, Mel Raab, Tom Summers, Dennis Docherty, receiving their first year award; Rick Williamson receiving his second year award, and James Besst, Neal Ball, Ron Carmack, Bill Hastings receiving their third year award. This year's Most Improved swimmer was Keith Smith.

Grove City's track team sported a respectable 8-7-1 won—loss—tie record this season. Despite the fact that Weber's thinclads were made up of mostly sophomores and juniors, they were still able to make an excellent showing of themselves. After getting off to a slow start the team was able to finish in excellent shape, with the Southwestern Invitational championship for the third straight year. Most of the points were scored in the sprints, hurdles, high jump, and distance events. Sophomore Gary Dagg made an excellent showing by racking up more points than any other trackster except for Jack Lawrence and Eddie Simmons. All in all Grove City can expect increasing success in track during the next year or two.

Hillard Invitational Third Place

Mid-8 Fifth Place

Eddie Simmons—high jumper

EDDIE SIMMONS—Grove City's best ever high jumper was also the second leading scorer in this years team. Undefeated in all meets except the district, Eddie proved his title as G. C. best high jumper by setting the school record at 5' 11" at the Hillard Invitational. Eddie also turned out to be an excellent 440 man by doubling in both the 440 and the mile relay.

Dan Badgley—mile & mile relay

DAN BADGLEY—turned out to be quite a competitor this season. Dan doubled in almost every meet running the 880 or the mile and the mile relay. Dan, the only third year man on the squad, turned in some fine efforts in the mile, but his best efforts would be in his double, the mile relay. In the relay Dan would constantly run 53 and 54 second quarters.

JERRY DOCHERTY—Grove City's ace distance star, was G.C.'s second representative to the state meet. After missing the first month of the season due to illness, Jerry came on very strong and set numerous records in his specialty, the two miles. He set the Hillard Invitational record at 10:00.8 and just about lapped the entire field in doing so. He also set the Mid-8 record with an incredible 9:49. At the district Jerry came in a close second with a fast 9:39.8 and later went on to place sixth in the state championship meet

Jerry Docherty—two mile

men Provide Scoring Punch

JACK LAWRENCE—was Grove City's main scoring threat during the season as he ran up a fantastic total of 141½ points. Jack ran 180 low, 120 high hurdles, and 220 yard dash. His best performances were recorded in the lows and 220, the two events he ran in the district. For a big man Jack had exceptional speed which helped him to many of his hurdle victories and which also helped him to become an excellent 220 dash man.

Jack Lawrence—hurdler & 220 dash man

BILL HENCEROTH—was G.C.'s outstanding middle distance ace. After a slow start Bill finally got into the swing of things and became a tough half-miler. The half-mile proved to be one of the toughest, if not the toughest, events in the state, but Bill proved equal to the task by turning in some excellent times.

Bill Henceroth—880 yard run

Jim Docherty—mile & two mile

JIM DOCHERTY—our captain this year, was the most outstanding participant in track, during the earlier part of the season, he ran the mile. At the Mid-8 he won the mile in 4:30. Suffering from shin-splits, Jim decided to switch to the longer race, the two mile, when the sectionals were run. At the district Jim finished fourth. At the regionals he finished second and continued on to the state meet where he placed third.

Coach Glen Hoddy and Reserve Coach Frank Bolin

Grove City's batmen finished another successful season placing high in Mid-8 standings. Coach Hoddy's sluggers placed second in final Mid-8 standings. A tight race provided much excitement as G.C. finished strong winning their last five games.

Coach Hoddy's team can boast their stars at bat; Mike Workman, .562 average; and Scot Chesser, .418 average; on the mound; Larry Kerschner, E.R.A. 2.02; and Andy Cotner, E.R.A. 2.67; And in the field; Ron Grooms, 1.000 Fielding Average, and Fred Ruoff, Fielding Average .985.

G.C. 1—Gahanna 2

Although scoring first in the opening inning G.C. couldn't hold on to their lead. Starting pitcher Larry Kerschner gave up only two hits but suffered as the Lions drove runs across on errors and walks.

G.C. 10—Gahanna 1

The hounds charged back in the second game with a decisive victory. G.C. scored 6 of their 10 runs in the first two innings by pounding out seven hits. Victorious pitcher Andy Cotner opened his season by throwing G.C.'s first no hitter.

G.C. 0—Groveport 2

Although pitching a fine two hit ball game Larry Kerschner again suffered a first game set back. The game was carried into extra innings in which Groveport drove in their two runs.

G.C. 2—Groveport 1

Second game pitcher Andy Cotner continued his winning streak in fine style by pitching a victorious two hit ball game. G.C. scored their game clinching runs in the third and fourth innings on a triple by Scot Chesser and a double by Mike Parrett.

G.C. 4—Mifflin 2

Andy Cotner received needed team backing to pitch his third straight Mid-8 victory. The hounds were never in trouble as they scored first in the third inning. Big men at the plate were Larry Kerschner and Scot Chesser who both received two hits at four times at bat. Chesser smacked his second triple.

G.C. 4—Mifflin 8

G.C. fell in the second game as Mifflin came storming from behind in the third and fourth innings to score seven of their eight runs on five hits. Larry Kerschner suffered his third Mid-8 defeat.

G.C. 3—Hillard 1

Larry Kerschner recorded his first Mid-8 victory over league powerhouse, Hillard. Larry let up only four hits and struck out seven as G.C. sailed to an easy victory behind power hitting of Mike Workman, two hits at three times at bat. G.C. scored first in the fourth inning and was never pressed by the Wildcats.

G.C. 0—Hillard 2

Although letting up only three hits in his five innings stay Andy Cotner faced his first Mid-8 loss to a determined Wildcat team. The only sparkle in G.C.'s second game was catcher Gary Athey who pounded out two singles at two times at bat.

Pitchers left to right—Randy Brownfield, Bill Blackburn, Tom Sommer, Andy Cotner, Bryan Buzby, Mike Carr

G.C. 2—Marysville 1

Larry Kerschner threw his second superb game in defeating Marysville in an eight inning contest. Kerschner let up only three hits and struck out eight in a great game. G.C. came from behind in the last two innings to get their two victorious runs.

G.C. 0—Marysville 2

The Hounds couldn't get off the ground in the second game and suffered their fourth Mid-8 loss. Losing pitcher Andy Cotner lost his second Mid-8 tilt in a two hit ball game before being retired in the fourth inning.

G.C. 3—Westerville 1

The same story provided a victorious ending as G.C. came from behind in the last two innings to score three runs and outlast Westerville 3-1. Larry Kerschner, winning pitcher, threw another fine game letting up only two hits. Big men at the plate provided the victory as Scot Chesser and Jerry Johnson both banged out two hits at three times at bat. Scot collected a single and double and Johnson collected two singles.

G.C. 3—Westerville 4

In a two extra inning ball game, G.C. couldn't hold back two runs by Westerville that cost them the game. Starting pitcher Andy Cotner lasted three innings because of an ailing arm but recorded the lose as G.C. was trailing 2-1 at the time of his relief.

G.C. 6—London 1

Larry Kerschner closed his Mid-8 pitching season with a lopsided victory over London 6-1. Striking out 8 and letting up only two hits Kerschner looked like a real Greyhound star. G.C. received the needed hits by batting ace Mike Workman and Mike Parrett both connecting on two singles.

G.C. 4—London 0

G.C. swept their seasons only double header by defeating London in the second game 4-0. Ace hurler Andy Cotner also ended his Mid-8 season in typical Greyhound style by blanking the Raiders and letting up only one hit. Andy had his season's second no hitter going until the last innings when the first man up spoiled it with London's only hit—a single. Power hitting again provided the victory boost as Ron Grooms pounded out a three run triple in the fourth inning

C.O.E.

C.O.E. is designed to prepare students for the business world. Under this business education program Seniors spend the morning in classes and during the afternoon hold part-time jobs in local offices. These Seniors are given special opportunity to gain valuable office experience and to earn money while they receive an education.

The Occupational Work Experience Program (OWE) was designed to help students who do not plan to go on to higher education. This program can help those students who believe the regular courses offered will not alone prepare them for getting a good job when they graduate from high school, and will provide experience in a specific occupation in which a student shows interest.

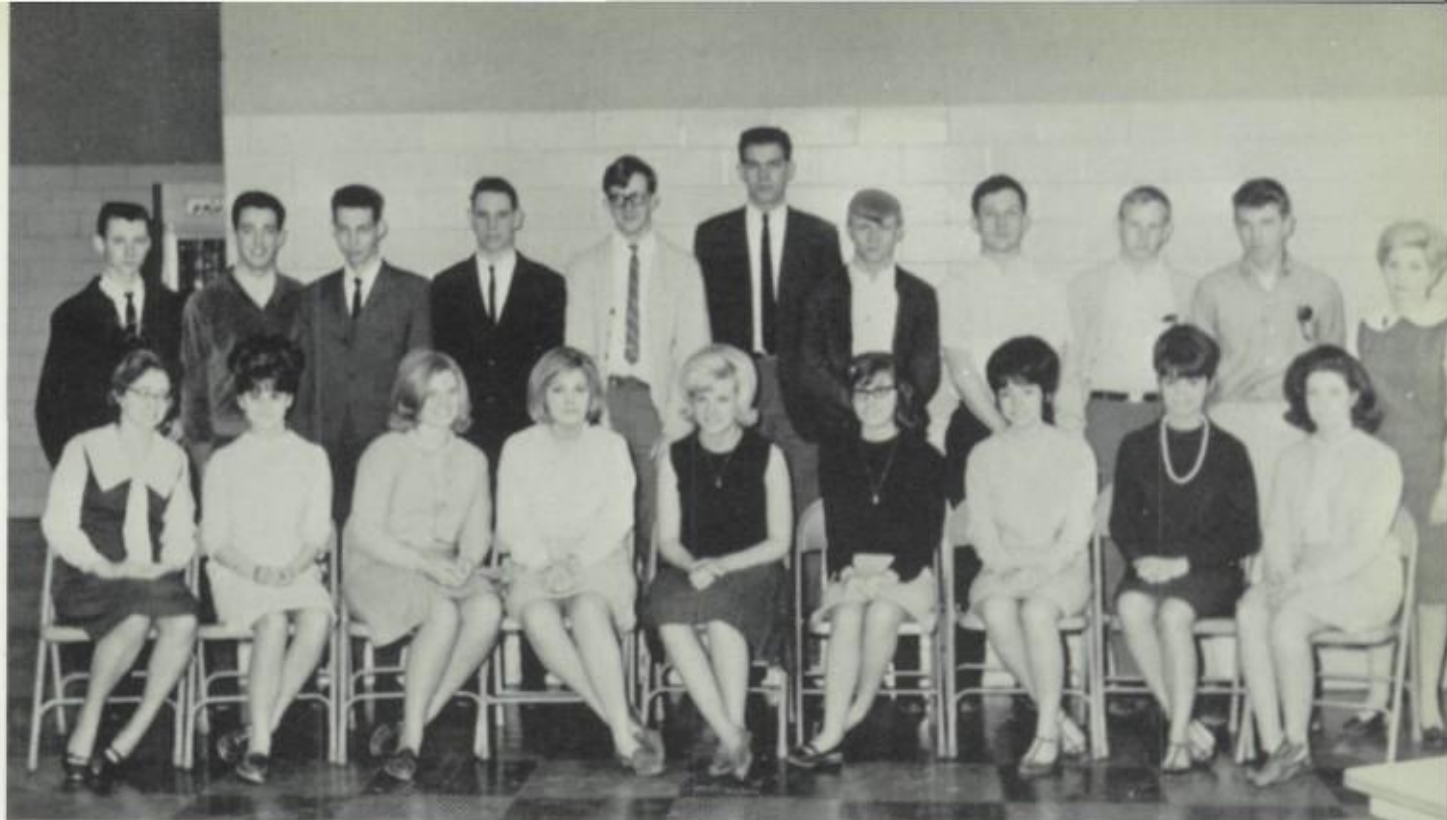

The OWE program can benefit people who can not qualify for the other work experiences because of class standing, academic standing or academic background but who are 16 years of age and employable.

You may enroll in OWE for two years and the students must complete the same requirements for graduation as other regular high school students.

C and B

By enlightening students with the interesting events, brightening its pages with photos, features, and cartoons, the C&B compliments its role as a primary informer of student activities.

With re-writes, layouts, and headlining, the members of the C&B staff really buzzed. Working only fourth period every day the staff managed to edit at least one copy of the paper every two months.

The paper informed the students of what went on in the school in the way of past events, current fads, and sports.

G.C.H.S Presents

Allow me, Donna Lucia.

Under the direction of Mr. John Duval and student director Pam McKinney Grove City High School presented "Charley's Aunt" a hilarious comedy by Brandon Thomas. The story centers around a college student who expects a visiting aunt to help him impress some girls. When it is discovered the aunt will be delayed, an imposter is used. As everyone suddenly learns the identity of the real aunt a great play unfolds at Grove City.

Sniff; Sniff; What a smell of smoke!

Paradise

Oakhurst Country Club provided the scene, Juniors the inspiration, Sophomores the service, and The Tune-sters the music. All these things combined created "Paradise Isle" for the Class of 1966. After dining everyone danced to the music on the terrace. When the hour of twelve struck the night was not ended, but instead everyone traveled to the high school to dance, eat, and enjoy themselves at the After Prom to complete one of the year's most exciting evenings.

Dr. Faust

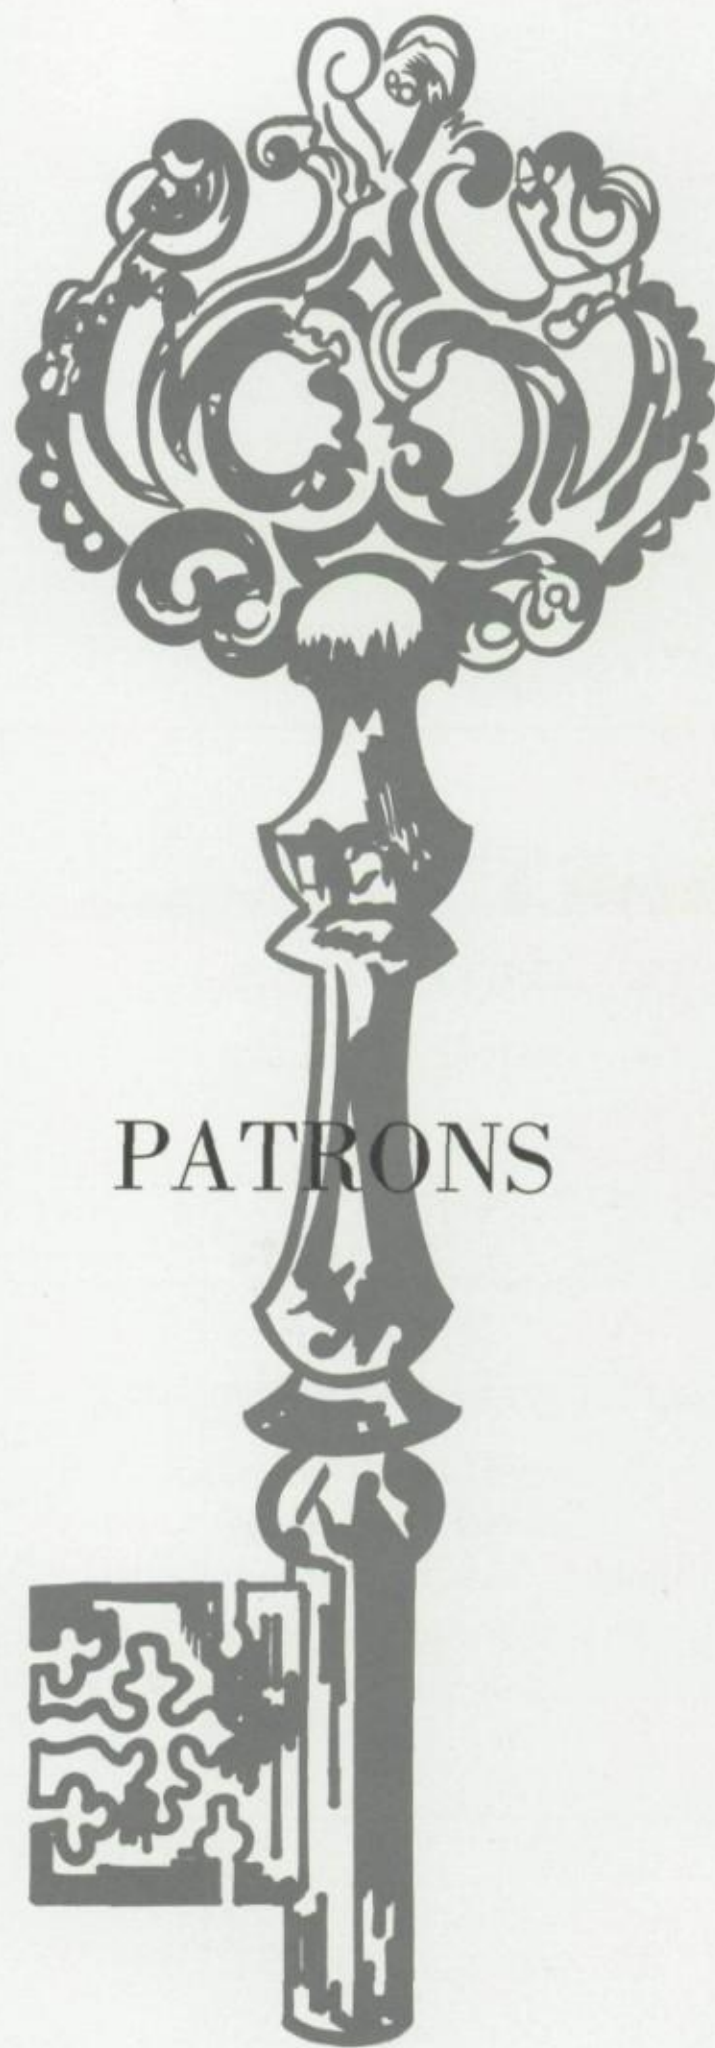

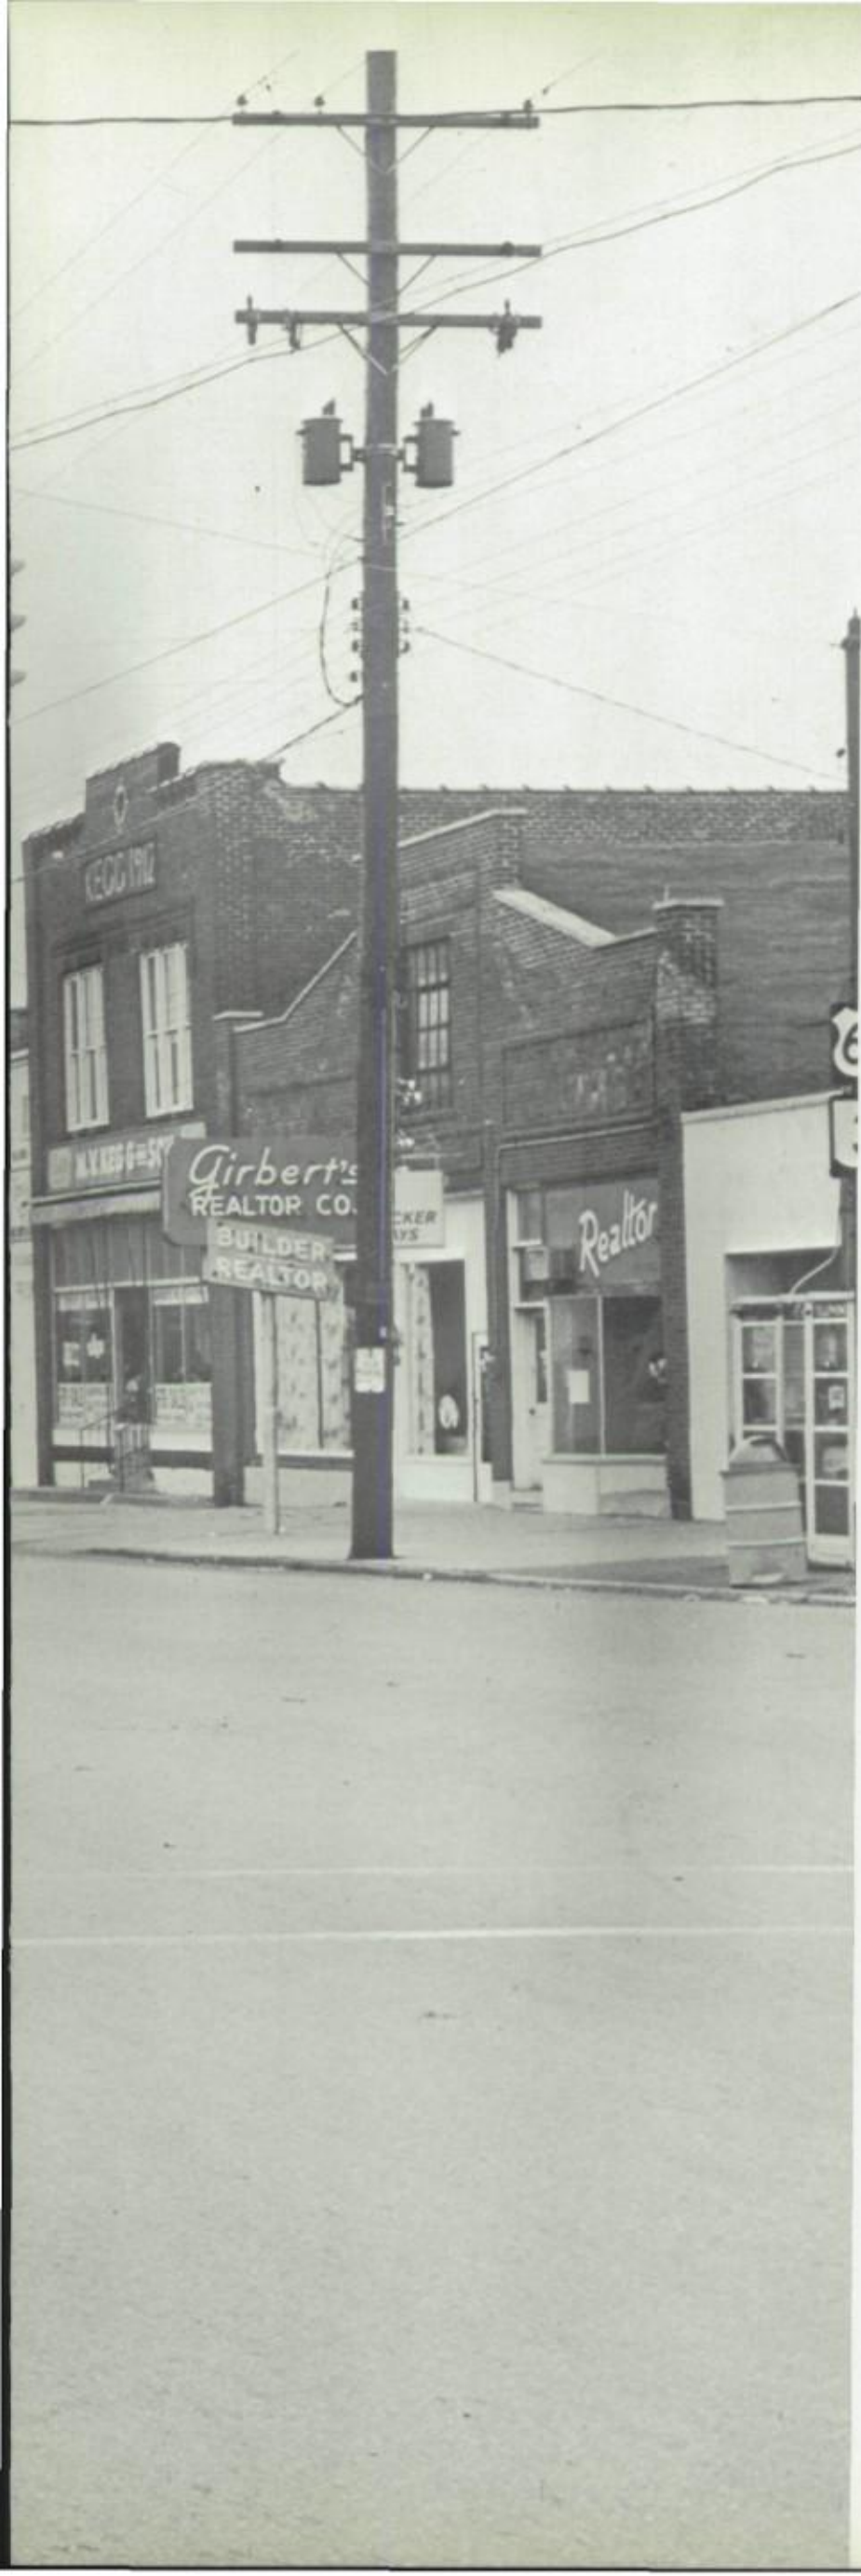

On the evening of June eighth, nineteen hundred and sixty-six the graduating seniors of Grove City High School received their diplomas at commencement exercises. Speaking to the seniors was Dr. Faust, a minister and one of the most inspiring speakers ever to come before a group at Grove City. With four years finally over the seniors find it hard to look back without memories, but most of all they remember the friends, teachers, sad and happy times, the class yells, football, basketball, and the day it was all over. It was something that marked the end of good times and the beginning of things better.
